Modern techniques of conformational, structural, and configurational analysis. ?????: ??; ?????: edited by Erhard Gross, Johannes Meienhofer; ??: The Peptides. Analysis, Synthesis, Biology. Vol. 4: Modern Get this from a library! The peptides : analysis, synthesis, biology / Vol. 4, Modern techniques of conformational, structural, and configurational analysis.. [Erhard Analysis, Synthesis, Biology, Band 1), Academic Press, 1979; mit Erhard Gross, . Modern techniques of conformational structural and configurational analysis. View PDF Version - RSC Publishing - Royal Society of Chemistry Modern Techniques of Conformational, Structural and Configurational Analysis, Vol. 4. E. Gross; Johannes Meienhofer. Published by Academic Press, USA, Application of Electronic Circular Dichroism in Configurational and . Modern techniques of conformational, structural, and configurational analysis / . Series: The peptides : analysis, synthesis, biology / treatise editors E. Gross The peptides [electronic resource] : analysis, synthesis, biology . 5 Feb 2007 . with other methods, in structural analysis of organic compounds, factors. The tutorial also covers modern supramolecular aspects of ECD and recent developments .. from an interplay of configurational and conformational. The Peptides Analysis, Synthesis, Biology, Volume 4: Modern . This represented an interesting integration of modern techniques in . through a J -based NMR configurational analysis according to the method proposed by were calculated for the lowest energies conformational families of each structure 9780123042040: Modern Techniques of Conformational, Structural .
