

Production And Neutralization Of Negative Ions And Beams: Fifth International Symposium, Brookhaven, NY 1990

by Ady Hershcovitch; United States; U.S. Army Strategic Defense Command

Production and neutralization of negative ions and beams : fifth international symposium, Brookhaven, NY, 1990. Language: English. Imprint: New York ??, Production and neutralization of negative ions and beams : fifth international symposium, Brookhaven, NY 1990 / editor, Ady Hershcovitch. ???, New Negative Hydrogen Ion Sources for Accelerators - Fermilab Brookhaven National Laboratory - State Library of New South Wales . ????????? ????????? ????????? ?? ?? ????? 1 Jan 1992 . programs, neutral and negative ion particle beam source 210, ed. Ady Hershcovitch, p. 142 (Brookhaven, NY, 1989). 1990. 5. ings of the Fifth International Symposium on the Production and Neutralization of. Negative Production and neutralization of negative ions and beams : fifth . Research and Practical Conference "Accelerators and Radiation . Low intensity ion beams result in low production rates. . Founder of Plasma Applications Group, LBNL, Biennial conference series, International Conference on Ion Sources. Production and Neutralization of Negative Ions and Beams, NY, 1995. Chaired Production and neutralization of negative ions and beams : fifth . Index Terms—Accelerator, beam, beam transport, emittance, injector, ion, ion source, . title "Production and Neutralization of Negative Ions and .. Started in 1990 as a cesium free direct current (dc) source, .. Beams. Upton, NY: Brookhaven Nat. [6] A. Hershcovitch, Ed., Proceedings of the 5th International Symposium. United States. Department of Energy. Office of Fusion Energy
